GAME DESCRIPTION

The Inca Treasure is all yours if you're brave enough to face their mighty Gods.

High in the Andes Mountains, the mighty Inca warriors reside in the mysterious Empire of the Sun, safeguarding precious treasures and worshipping their bloodthirsty deities. Their ruthless gods are hard to please. However, those who believe in success and are bold enough to embark on a dangerous journey to conquer the riches of the Lost City, will be rewarded in the end. Inti, the Sun God is the one to watch out for as he guards the door to the Inca's Treasure Bonus Game where plenty of Free Spins and multipliers to boost the winnings are up for grabs.

GAME FEATURES

GAME RULES

- Inca's Treasure is a 5-reel video slot with 20 fixed paylines
- To spin the reels, use the Spin, Bet Max, or the Autoplay buttons (on mobiles, Autoplay can be found in Options).
- Bet Max button (available on desktop computers only) overrides the current bet selection, and the maximum bet allowed is selected automatically
- When the Autoplay button is selected, the reels spin automatically, using the 20 fixed lines and the selected bet
- The reels stop spinning, when Inca's Treasure Bonus game is triggered, or the autoplay mode can be stopped at any time by pressing the stop button
- When Autoplay is over and you win, a win is not automatically added to the balance. You have to click the "Collect" button.
- Inca's Treasure video slot game is enhanced with special Scatter symbols, which trigger Inca's Treasure Bonus Game, where players can win many Free Spins with a different number of a multiplier. Wild symbols will only appear in reels 3,4 or 5.
- Winning combinations and payout information can be found in the PAYTABLE screen

Inca's Treasure Bonus Game

- Inca's Treasure Bonus Game is triggered when 3,4 or 5 Scatters appear on the screen. These symbols can appear in any position on any reel.
- In Inca's Treasure Bonus Game, you can increase the number of your Free Spins and the value of the multiplier by picking stones in the pyramid. A number of picks equals a number of Scatters that triggered the feature. You start your picks at the very bottom of the Inca pyramid.
- The stones feature various numbers of Free Spins or multipliers. They can also provide you with an option to skip to a higher row. The higher the row, the higher the awards.

- When the Inca's Treasure Bonus Game ends, a particular number of Free Spins with a multiplier won in the previous feature, starts. Multiplier is applied in every Free Spin.
- The maximum amount of free spins is 15 (fifteen) per bonus game and the maximum multiplier is 5x. However if the maximum amount of free spins (15) is reached the maximum multiplier can only be 4x and if the maximum multiplier is reached (5x) the maximum amount of free spins will be 14.
- Free Spins are played with the same bet as the Base Game.
- Wild symbol will not appear during free spins, it will be replaced by ExtraWild symbol which only appears during free spins and only on reels 2,3 or 5.

Free Spins Limit

If all cumulative wins won in Free Spins are higher than a certain limit (set by an operator), the game will award the player with the limit sum and the Free Spins feature ends.

Game recovery

In the base game, in case you quit the game in progress and there is a win to collect, all your winnings will be properly stored and will be available to collect, via collect button, once the player enters the game again. If you were interrupted during Free Spins, then you will still be able to continue with your feature right where you left off. If your game is interrupted because of some technical issues, then once you get back to the game, it will be recovered and you start from where you left off.

Other rules

The winning symbols must appear consecutively one after another on a given active win line, starting on the leftmost reel, for the win to be granted. Only the highest win on a win line is paid. The Payout is calculated by multiplying your bet by the winning combinations obtained in the spin. Malfunction Voids All Pays and Play.
